

Virtual office hours

We recognize that a major factor to understanding school meal regulations and operations is one-on-one technical assistance. Using a virtual chat room called TodaysMeet, DPI staff will be available during several 2-hour timeslots throughout the summer to answer any questions you may have. Joining the chat room and asking questions is easy! Simply follow these steps:

1. Type the following web address in your browser's address bar:
<https://todaysmeet.com/DPIVirtualOfficeHours>
2. Type your name in the blue "Nickname" box and click on the Join button.
3. If you have a question or comment, type it into the blue "Message" box and click on the Say button. Your question or comment will appear in the "Listen" box on the left-hand side of the page. This is also where you will find DPI's response to your question or comment.

There is no agenda for these sessions. Participants may come and go as they please or stay for the entire session to learn from the questions of others. This is a unique opportunity that we hope you take advantage of!
